### CAMBRIDGE RAILWAY SIDINGS CAPACITY UPGRADE PROJECT

#### MILL ROAD BRIDGE - ROAD CLOSURE

**1<sup>st</sup> JULY - 25<sup>th</sup> AUGUST 2019**

Dear Neighbour,

Many thanks for your continued patience as we move closer to the temporary closure of Mill Road Bridge.

Work directly beneath and on the bridge is due to commence in just a couple of weeks. While the work is being carried out:

- We will **MAINTAIN AS MUCH ACCESS AS POSSIBLE FOR PEDESTRIANS, CYCLISTS, WHEELCHAIR USERS, MOBILITY SCOOTERS, PRAMS and BUGGIES.**
- There will be **OCCASIONS WHEN THERE WILL BE NO ACCESS TO THE BRIDGE FOR ANY USERS** for safety reasons – we will be posting regular information on the noticeboards on the approaches to Mill Road Bridge well in advance of this happening.
- There will be **NO ACCESS FOR VEHICLES AT ANY TIME** – road diversion signs will be in place to help vehicular traffic use the correct alternative routes shown below

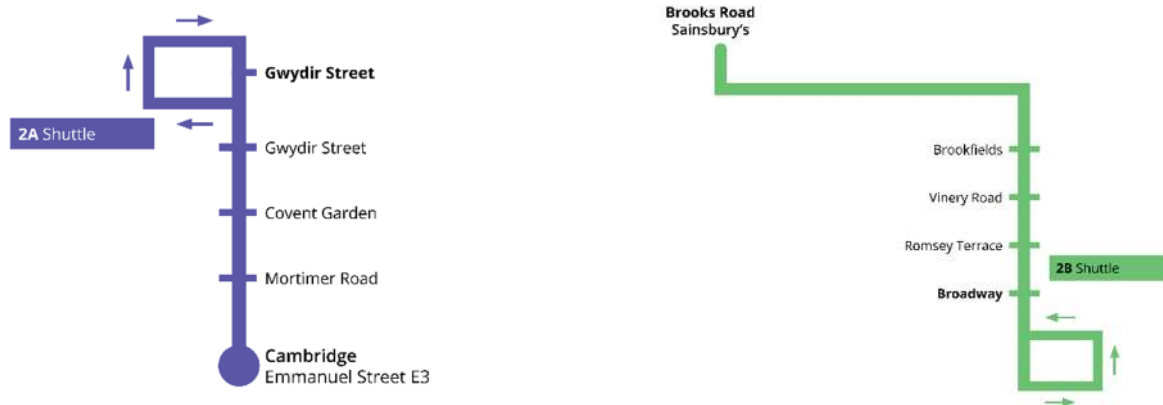

*Diversion Routes shown in red and blue above.*

Whilst we will endeavour to work within our usual times of 0700 to 1800 there may be times when work will continue beyond these hours to complete activities that will ensure that we meet our planned programme. These instances will be kept to a minimum and will be posted on the information boards.

## DIAL-a-RIDE

While the Mill Road Bridge is closed, GTR have made arrangements with Cambridge Dial-a-Ride scheme to assist residents who would otherwise find it difficult to use the revised public transport provisions.

Dial-a-Ride operates a door to door service, and, for the duration of the bridge closure, this will be **AVAILABLE WITHOUT CHARGE** to residents who are unable to use the revised bus service and will be adversely affected by the closure. How to apply to use the service:
