

MILL ROAD HISTORY SOCIETY

Tuesday 12 November, 7:30pm – 9pm
Ross St Community Centre, CB1 3UZ,

In a change to our published programme we are delighted to announce a special talk:

UNDER THE BRIDGE: What was happening behind the hoardings?

Come and found out what was actually going on at Mill Road Bridge this summer!

Mill Road History Society is delighted that Richard Watson of the Spencer Group is coming to talk to us at the **Ross St Community Centre CB1 3UZ** on **Tuesday 12 November at 7:30pm** (doors open 7pm, ends around 9pm).

The family engineering company The Spencer Group was commissioned by Govia Thames Link to carry out extensive work in Cambridge this summer to allow for extra track including alterations to Mill Road Bridge. Richard Watson, the Project Director, has kindly agreed to join us to tell the full story. Do join us for a rare and privileged opportunity to see what the public rarely gets to see, and to find history in the making.

Admission £3 per person on the door. Tea and biscuits served, all welcome.
